

Peer Team Recommendations during its visit at the First Cycle

- **Recommendation:** The institution needs to strive hard to prevent closure of the Commerce faculty.
- **Recommendation:** More course options be made available to the students.
- **Recommendation:** A well-equipped Computer Centre be set up on priority basis with internet facility.
- **Recommendation:** The college need to evolve a mechanism for assessing the knowledge and skills of the students after their admission to the various courses.
- **Recommendation:** the College need to have freedom to appoint the temporary/Part Time teachers as and when necessary following the set procedure.
- **Recommendation:** The faculty may be encouraged to win awards for excellence in teaching.
- **Recommendation:** The college may seek support from Alumni association as well as Parents association to augment the resources and plan for instituting endowments, prizes and raising some funding.
- **Recommendation:** The laboratories of the science department require more equipment and facelift.
- **Recommendation:** Besides routine activities, some innovative and area specific programmes be designed and executed with participation of faculty and students.
- **Recommendation:** Since the college is located in the rural area and the students are drawn from economically and socially backward group, there is a felt need to make provision of accommodation facility for the students.
