

## Analysis of Feedback and Action Taken Report

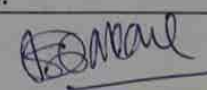

(Year 2020-21)

### 1. ALUMNI

It is the practice of the institution to collect feedback of all the stakeholders manually as well as online. This year, due to corona pandemic, the institution collected the feedbacks of all stakeholders on online mode. To make this practice fruitful, this institution formed "Feedback Committee" for collection of data from all the stakeholders. This evaluation is done on a 4 point scale. It is a practice of the institution to collect the feedback at the end of every academic year. This collected data is submitted to IQAC by the committee. Thereafter the IQAC considers the matter seriously and in order to resolve them the data is transferred to the administration. To improve the quality of the institution, the administration takes the necessary action.

S/N	Suggestion	Action Taken
1.	To look after sport activities	The Sports and Physical Education unit of the institution is directed to organise Inter-collegiate Sports competitions every year for maximum categories of sports. As a result, this year also sports competitions were organised to encourage the sports lover students.
2.	Students who are financially weak should be helped in a positive way. Also, some positive changes should be made in the college with the changing times.	"Students Welfare Fund" in the institution which is proved to be a helping hand provides the financial help to the financially weaker students. The girl student 'Ku Shalu Gharat' stood first in the Gondwana University who was benefitted by SWF. In the coming year, to support the students, the institution is going to avail "Earn & Learn" scheme of the University for the needy students. IQAC forwarded this demand to the SWF committee.
3.	Provide a good practical lab	The institution has face lifted the lab due to addition of three PG courses. IQAC forwarded the recommendation to the concerned authorities.
