

### Analysis of Feedback and Action Taken Report

(Year 2022-23)

#### 4. EMPLOYERS

It is the practice of the institution to collect feedback from all the stakeholders manually as well as online. This year too, the institution collected the feedbacks of all stakeholders on online mode. To make this practice fruitful, this institution formed "Feedback Committee" for collection of data from all the stakeholders. This evaluation is done on a 4 point scale. It is a practice of the institution to collect the feedback at the end of every academic year. This collected data is submitted to IQAC by the committee. Thereafter the IQAC considers the matter seriously and in order to resolve them the data is transferred to the administration. To improve the quality of the institution, the administration takes the necessary action.
