**Analysis of Feedback and Action Taken Report**

(Year 2022-23)

**2. STUDENTS**

It is the practice of the institution to collect feedback from all the stakeholders manually as well as online. This year too, the institution collected the feedbacks of all stakeholders on online mode. To make this practice fruitful, this institution formed "Feedback Committee" for collection of data from all the stakeholders. This evaluation is done on a 4 point scale. It is a practice of the institution to collect the feedback at the end of every academic year. This collected data is submitted to IQAC by the committee. Thereafter the IQAC considers the matter seriously and in order to resolve them the data is transferred to the administration. To improve the quality of the institution, the administration takes the necessary action.

S/N	Suggestion	Action Taken
1.	Maintaining the cleanliness in the classrooms and washrooms	The administration looks after the cleanliness of the classrooms as well as washroom on regular basis by daily wages staff. However, sometimes problem arise due to large rush of the students of junior and senior college students.
2.	Non availability of sufficient space in the library specially during exam period	The requirement of the students is considered and forwarded to the administration. It is observed that with the increasing number of the students, reading room is not sufficient for the students. IQAC has forwarded the demand to the executive management.
3.	Cold water is not available for the boys specially	The institution made the provision of cold water for boys as well as the girls. Sometimes cooling system supplies water slowly. The filter candle are changed on the regular basis to maintain the TDS level.
4.	It is experienced that during the practicals, the Laboratory apparatus /Chemicals are not sufficient	The institution is very keen in the provision of lab equipment and chemicals in the concerning labs. The additional demand is forwarded to the principal.
5.	Make the campus wi-fi enabled	The demand is forwarded to the principal.
6.	Library dues is unfair specially for those students who do not use library	The library is the prominent source of the knowledge. It is expected that the students should use library sources regularly. Levying fines from the students the message to the students who don't use library. Fine is used for the maintainance of the library.
