Analysis of Feedback and Action Taken Report

(Year 2023-24)

3. TEACHERS

It is the practice of the institution to collect feedback from all the stakeholders manually as well as online. This year too, the institution collected the feedbacks of all stakeholders on online mode. To make this practice fruitful, this institution formed "Feedback Committee" for collection of data from all the stakeholders. This evaluation is done on a 4 point scale. It is a practice of the institution to collect the feedback at the end of every academic year. This collected data is submitted to IQAC by the committee. Thereafter the IQAC considers the matter seriously and in order to resolve them the data is transferred to the administration. To improve the quality of the institution, the administration takes the necessary action.

S/N	Suggestion	Action Taken
1.	Syllabus should be optimized to complete in given semester.	The curriculum is designed by Board of Studies. The BoS members are suggested by the institution to take the necessary steps in order to make the syllabus students-friendly.
2.	There should not be semester pattern in rural area.	The semester pattern in the higher education is the policy of the government. However the faculty involved in the BoS is asked to adopt the annual pattern rather than semester.
3.	Let there be clarity and certainty in NEP syllabus. The syllabus may not be tough but seems difficult to convince the students. Need lucid syllabus.	The concerning bodies are consistently organizing the programmes to make aware the teachers about new national education policy.
4.	Need well equipped lab for research.	The IQAC forwarded the demand to the principal to facelift the laboratories. There is an addition of various needful science equipments for research purpose.
5.	Need research grant from government agency.	The demand is under consideration, however, it is forwarded to the concerning authority.
6.	Reading room should make available separately for UG and PG students.	IQAC forwarded this demand to the Executive Management through the principal. The Management promised to build new Reading Room on the terrace of the Central Library.
