➤ Faculty

Mr Ankosh Ramteke

(Assistant professor and Head)

Mr Ratnakar Gurnule

(CHB Lecturer)

According to the district collector's instructions, college opened for the current academic year under the diminishing effects of COVID19. The odd semester started with virtual classrooms and afterwards resumed with students in a physical environment. As a part of the traditional classroom curriculum, the performance of the students was assessed through seminars, collaborative work assignments, and unit tests. The progression of the students' achievement is evident in their university exam results.

➤ Activities

The department's faculty participates in events organized by college committees or departments to keep themselves engaged throughout the entire year. The department organized a workshop on handling the website for all institutional staff to familiarize them with the features and components of the new website developed by the head of the mathematics department. The mathematics department also plans a variety of extracurricular events for students to improve their ability to learn. To accomplish this, the mathematics and physics departments jointly organized National Science Day, which comprised a quiz and seminar competition at the university level.
