The AY 2022-23, the Department of Mathematics had an eventful year filled with exciting activities and academic achievements. We commenced the first session with the inauguration of the Math-e-Logic Society, hosting a guest lecture to inspire students about the wonders of Mathematics beyond textbooks. We also organized a fun poster and rangoli competition, showcasing our students' creative talents blended with mathematical themes.

To guide students towards career opportunities in Mathematics, we held an orientation program, providing insights into various career paths. Department organized a lively quiz competition as well during the college's annual fest 'FLOCK', promoting academic rigor and healthy competition.

We're proud of our students' academic successes, which reflect their dedication and our department's commitment to excellence. Mr Ankosh Ramteke, head, Department of Mathematics played a crucial role in various initiatives, including IQAC, project proposals and research consultancy, and participation in other institutional crucial committees.

The stats of all these is elaborated in next section.
